

A Promise of Love

New York Times and USA Today bestselling author Karen Ranney tells the story of a twice-widowed English woman who is tricked into marriage with a reluctant laird. The MacLeods of Tynan Castle have barely managed to survive after the 45. The very last thing Alisdair MacLeod wants is a wife - an English wife!

The very last thing Judith can tolerate is another husband, regardless of his nationality. Will passion be enough to make each of them forget the past?
