

Stories & Poems by a Guyanese Village Boy

This book is a collection of short stories and poems written by Dr. Hanif Gulmahamad who was born in Guyana in 1945. The stories are based on the authors boyhood experiences growing up at No. 73 Village, Corentyne, Berbice, Guyana in the 1950s and 1960s. They are a reflection of what life was like for a young boy back in those days in what was then British Guiana. The stories are based on real events that took place at that time. The poems in this compilation are wide ranging and are not limited to the authors experiences in Guyana.
