

GAY BRILLIANCE: The Boy Next Door: A Gay Romance

Damien is astonished when Brad, the boy next door, asks him to give him an honest assessment of his cock and balls. The boy suffers from erectile dysfunction and may be suffering from a castration complex caused by his upbringing by fanatically religious parents. Damien feels that his life is starting to fall apart when Silas, the owner and manager of the Blue Boys Club where he works, decides that all the boys who are in the drag show should start to sell sexual favours to wealthy clients. Excerpt: Eventually I made it to Tyrells Wine Bar and ordered myself a glass of Houghtons Classic White. Sitting at the bar was a young man who I guessed would be about twenty. He was wearing a white tee shirt and the proprietor John Tyrell, who was wiping glasses and taking regular sips out of a pint glass of red wine, joked that although he didnt usually allow such informal dress in his establishment, he had to make an exception for such a gorgeous specimen. The young man had a militaristic bearing. We introduced ourselves and as soon as the boy opened his mouth I realized he was American. He told me he originally came from Phoenix, Arizona. The young man who was called Steve had already had a few Fosters beers and he started to bemoan the fact that he couldnt take part in cock docking. Why ever not? I spluttered over my drink. The boy looked at me as if I was a kind of a simpleton and said, Its like this sir, like the majority of American guys Im circumcised. Well Im here to deliver the good news I said. He raised a puzzled eyebrow and whispered, How come? Ill tell you how come! You can certainly enjoy cock docking. You just need to find yourself a friend whos uncut. But how -? Youve already found one I hastened to add. Now lets go out to the dunny as we are apt to call it here in Australia and Ill show you how! Once we got out in the can we went into one of the cubicles and I told the

young man to drop his pants. Im sorry if Im not he spluttered as he stepped out of his jocks. Oh My God, the most magnificent cock was swinging out in the fresh air. Dont feel badly because youre cut I said to the boy. Its a beautiful sight. Now this is how it works I said as I started to stretch my foreskin. I then took hold of the boys cock head between two fingers. By the way, your circumcision was obviously very well done. Theres only the slightest hint of a scar. Here we go I said. Now because you are cut your cock will be the rocket ship. Because Ive got all this skin Im the space station. Ship ahoy! I said as I stretched the lips of my foreskin. I then accommodated the bulging head in my skin, obviously to the great delight of the American boy. I started wanking the glistening cock head with my foreskin and it wasnt long before he was pumping his hot cum into the dock. Thats what we call a wet docking I said. Shortly afterwards my own cock head started to bulge and I spurted jets over the boys cock and balls. The story contains descriptions of gay sexual activity including anal sex, cock docking and gay mutual masturbation.
