

## Glory of Heaven: The Truth about Heaven, Angels and Eternal Life

If you're going to call it home for eternity, don't you want to know what it's like? Our pictures of heaven range from comical to curious, mystical to fictitious, with bits of biblical truth thrown in. But if heaven is our future, and we are to be living with an eternal mindset in the present, a Hollywood scriptwriters interpretation of the afterlife just won't suffice. Quite simply, we need to know more about what lies ahead for the sake of what lies in front of us today. In this newly updated and expanded edition, pastor John MacArthur takes us through the pages of Scripture, exploring the wonders of heaven and the truth about angels and eternal life while addressing current debates and issues. Come along with this best-selling author for an in-depth look at every Christian's future heaven, our eternal home.
