

## Keep Calm in Chaos

Whether you spend your days diapering babies, working for a Fortune 500 Company, or whiling away time behind prison walls, life is complicated. Brother Lawrence shares the secret of being joyful while hard at work, sick, or in danger in his classic book, *The Practice of the Presence of God*. Robin Khoury has rewritten *The Practice of the Presence of God* by Brother Lawrence in everyday English. Now you can read this seventeenth century classic without a dictionary by your side.
