

## Too Many Clubs And Not Enough Balls

Laugh out loud funny, said Golf World. This is a book about people who lose balls, clubs, tempers and, on occasion, the course they're supposed to be playing; people who feel they are doing well if the ball they hit on the 18th green is the same ball they drove off the first tee. Anyone who has played golf - or tried to play golf - will find this addictive book unputdownable. Highly recommended.
