

Sleeping Over (Bareback College Erotica)

Nineteen-year-old Phoebe is shy and withdrawn. Far too shy to tell her crush Isaac how she feels. Isaac is smitten with Phoebe, but hes sure she hates him. After all, she never talks to him. But when he finds her wandering the halls of the dorm at night, she attacks him passionately. Hes shocked and aroused by her uninhibited lust...only to realize that shes sleepwalking.

But now that Isaac knows how she feels, hes eager to ask her out the right way. With Phoebe sleeping over in Isaacs room, they soon find out they share the same, naughty desire...to have a risky, unprotected encounter. Isaac realizes that he likes the idea of getting Phoebe pregnant.
